- Predictive analytics and financial modeling
- Analysis of mystery shopping visits in combination with other Market Force Information® data, financial metrics and third-party vendor data

IN EVERY INDUSTRY – RETAIL, RESTAURANT, GROCERY, BANKING, HOSPITALITY – THE WORLD'S BEST brands excel because they deliver on their brand promise in every location and in every customer interaction. They know consistency is key to creating a customer experience that wins trust and loyalty. Managers, front-line employees and franchisees must all be clear on the brand promise and committed to fulfilling it.

You've developed a set of compliance standards and guidelines that you know will drive operational excellence, maximize revenue and delight customers. However, you can't be in every location to keep them in check. Market Force's mystery shopping can be your eyes and ears to measure whether your brand standards are being met.

Market Force manages a base of over 400,000 independent contractors in North America and Europe who anonymously visit or call your locations and answer custom-designed questionnaires to deliver a comprehensive, unbiased view of your operations. We evaluate on-site experiences, phone-ordering processes, contact center experiences and web site experiences. We'll provide the insights you need to guarantee brand compliance and deliver great value to your employees, franchisees and shareholders.

Mystery Shopping: Measure how every location delivers on your brand promise.
